EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Steven Freeland on September 27, 2007.

The application has been amended as follows:

In the claims:

Claim 17, last line, "as the media content is accessed." has been changed to --as the multimedia content is accessed;

wherein the multimedia content is DVD content accessed by DVD firmware on a client device, wherein the method further comprises:

determining whether the DVD includes an initial HTML content;

identifying a local default home page link to a default home page; and

utilizing the local default link and initially accessing from over the network the default home page when the DVD does not contain the initial HTML content, where the local default home page link is stored locally on the client device and not available through the DVD, and the default home page accessed over the network is used to implement the retrieving of the HTML content from the network.--

Claim 19 has been canceled.

Claim 20, lines 2-3, "wherein the multimedia content is DVD content accessed by DVD firmware on a client device and" has been deleted.
